1464 Note

Serial No 2 of the file put up is the order of Govt which instituted the award of Scholarships to certain boys who had been the companions of H H the Maharajah in school

The conditions under which the scholarships were granted to the were also prescribed in the same Govt order

Subject to the conditions prescribed in serial No 2.

In 1897, Eight students were granted scholarships (serial No 2).

In 1898, two more scholarships were sanctioned (serial No 8)

In 1899, one scholarship was sanctioned. (serial No 13)

It will be seen that in the years 1897 and 1898, the recommendations from Mr S M Fraser were received through the Residency and the orders of Her Highness the Maharani Regent were obtained in sanctioning the scholarships ~~recommended for~~ (sl nos 2 and 7)

In 1899, the recommendations of Mr S M Fraser, were not received through the Residency and this fact was pointed out to them by the DO

D.O letter written to him by the secretary when sanction was communicated (Please see serial No 13)

The orders of the Maharaja Regent were not obtained in 1899 as the case recommended was similar to that of the students to whom scholarships were granted in 1898 (see serial No 8)

The present recommendation is also one of the same kind and may be treated in like manner

Submitted for orders to Secy with a draft

KL No 2 is as good as standing order, and the grant of scholarships in cases of the kind referred dealt with is practically a matter of routine. The formality of a reference thro the Resident seems therefore no longer necessary

The sanction may be accorded as usual but I think there communications from W Fraser will drop thro the Residency Shall obtain on this point separate instructions before issue
